“ Keith was much like a big brother to me as we grew up together. He could always make me laugh when I was feeling down. He was always kind and looked out for me. He will be missed.

“ Keith was a great friend. Loved spending time watching Vols football, Cowboys games, Wrestling or NASCAR or just getting together and grilling out Many times he would call just needing a ride and if I could I would do it. Sometimes when he was working at the music store if I was in the area I would stop in jut to hang out for a bit. As it happens we lost those times somewhat in the past few years and that was no one's fault just life taking's its turns. I was so sadden to hear the news Monday. I hope he is in peace and I hope the family and friends who mourn him find peace in knowing he was loved by so many and touch so many in so many ways with his humor, his talents and that smile of his. Miss you my brother and hopefully one day we can hang out in that big garage upstairs cooking out and watching the Cowboys.
