

Margaret Street

January 25, 1929 - August 11, 2017

Margaret Street passed away in her family home August 11, 2017 after an extended illness. Garrett Hazen Street, her husband of seventy-one years of marriage, passed away two days later on August 13, 2017.

Margaret Ella Mae Street, born on Stoney Creek on January 25, 1929, was the youngest daughter of Wiley Washington Estep and Claire Emily (Arnold) Estep. She was the last surviving sibling of ten children, six who had grown into adulthood.

Garrett Hazen Street was born on Stoney Creek on July 16, 1926, the son of Garrett Hazen Street Senior and Minta Missouri (Eller) Street. He is survived by his brother Herb Street and wife Kathy.

Garrett Hazen was a World War II veteran, serving as a “gunner” on Naval aircraft in the Pacific. He graduated from Milligan College in Elizabethton and worked for General Motors from 1950 until his retirement in 1985. He held various positions throughout his career, including Personnel Director in Muncie and later Vice-President of Labor Relations for Chevrolet. He owned and flew his own aircraft for a time. He loved golfing and martinis. After retirement, he became heavily involved in Dungan Chapel Baptist Church and was a charitable man.

Margaret was a great homemaker and well-loved by most everyone. She was talented in whatever she was interested in at the time, such as winning numerous golf tournaments and making her daughters’ gowns for prom. She was very interested in art and picked up painting later in life, as well as being an avid reader. She enjoyed entertaining guests at her home for Garrett’s work events. She volunteered at Sycamore Shoals for a time. She was a very sweet, intelligent, and interesting person.

Garrett and Margaret lived in Detroit, Muncie, and Cleveland during Garrett’s GM career, and moved back to Margaret’s childhood home in Elizabethton after Garrett’s retirement, while also spending winters in Fort Myers. Margaret was “brought down Estep Hollow in a

wagon at 2 months of age” to move to the home and she later died there eighty-eight years later.

They are survived by their three children; Garry Street and wife Lisa of Elizabethton, TN, Judy Fanning of Muncie, IN, and Beverly House of Elizabethton, TN; six grandchildren, including Michael Ball of Fort Wayne, IN, Chad Street and wife Liana of Longmont, CO, Michael Street and wife Carrie of Loveland, CO, Nicholas House of Muncie, IN, Randall House and wife Jacalyn of Falling Waters, WV, and Matthew House and wife Hillary of Indianapolis, IN; and seven great-grandchildren; also Lora Jones, who was there with Margaret the last six years of her life.

“ I have never posted on someone's tribute wall who I did no know but reading about this couple I was, of course, sad for their family but somehow without knowing them, proud that they lived so long, married to the end and even crossed through death to life everlasting virtually together. I think this is ideally how a marriage should end. They were both born in Stoney Creek, an area in East Tennessee near where I was born and raised. They were married for 71 years and died within 2 days of each other. They are among the last of a dying breed.

Just a stranger who was pleased to know there are still people who are committed to their marriage to the end.

“ Garry, of course Lisa, Judy & Beverly,
I was so sorry to read about your parents passing. I felt so blessed to be able to see and talk with them at Randy and Jackies wedding and reception. With Randy being a friend of my Jims boys, I knew who he was the first time I ever met him. Even before they told me his name! He looked just like Lisa's Garry! Your parents always welcomed me into their home. Treated me as if I was one of their own. They were wonderful people. They will be missed by everyone that knew them.
My thoughts and prayers go out to you and all the kids.
Love you guys and miss you like crazy.

“ Aunt Margaret will be missed. She always had that beautiful smile on her face and was always laughing. I have so many wonderful memories of Aunt Margaret when I was younger. I know her and Uncle Hazen are in Heaven together for all eternity. God be with all the family.

“ Beverly, Gerry and all of your family,

I was so sorry to see that you have lost both of your parents/grandparents so close together. Although I never met either one of them, I can see you through looking at their pictures.

I have good memories of all of you when our children were growing up and playing together. I also have good memories of the church family at Riverside Avenue. It warms my heart to think of those times together. It is nice to know more about where everyone is and that some of the children have married and have children of their own.

I have remarried now and my children are all married and have children. I even have a great grandchild to be born in October. I hope if you ever come back to Muncie that you will contact me. I would love to catch up.

I hope you feel God's presence in your lives as you go through the days and weeks ahead. He is always walking with us through every day of our lives.

Sending my love and sympathies to all of you.
